

Have you Considered Leasing?

Leasing comes with a few benefits...

Advantages of Leasing

- Keeps working capital working - not tied up in fixed assets
- Let's the equipment pay for itself from the revenue it generates
- Keeps bank lines of credit open for expansion of receivables and inventories
- Let's you pinpoint equipment costs to specific projects or profit centers
- May offer tax advantages as an operating expense
- Permits the immediate ordering of needed equipment at today's prices
- Allows you all the benefits of ownership without major cash outlays
- Eliminates depreciation accounting problems and simplifies bookkeeping
- Let's you capitalize on unbudgeted opportunities or emergencies
- Offers numerous payment plans and lease-end options for maximum flexibility
- Makes it easier to keep up with the latest technology
- Helps avoid costs for repairs and maintenance
- Updated equipment will give your workplace a more professional appearance while boosting employees' morale and productivity
- Provides 100% equipment financing without compensating balances or down payments
